

# SNYDER POOLS NEWS

Happy New Year! With 2020 now behind us, we are looking forward to the 2021 season. Hopefully, spring will be early this year so we can begin the many projects on our books and make our customer's dreams a reality!

We are currently deeply into renovating and expanding our retail store to better suit the needs of our customers. There will be an all-new spa display area with even more information as well as a swimming pool presentation and consultation area with graphic visual displays, liner choices and installation options available for review. Our grand opening will be this spring and we anticipate seeing you here soon!

Winter has certainly set in with the kind of weather that is perfect for relaxing and enjoying your hot tub. Keep your spa in tip top shape with our complete line of sanitization products!

The retail store is open for limited customer traffic. This means we are allowing only 4 customers in our retail store at a time, so please, when you arrive, only have one person in your party come inside. Everyone is required to wear a mask while inside our store. If you feel more comfortable not entering our retail store for your swimming pool or hot tub products, we will be more than happy to assist you at the front door.

Thank you for your patience and understanding during this trying time. We are in a continuous process of understanding the needs of the moment and may be adjusting our protocols as we go along.

## Retail Store Hours:

Monday - Friday: 9 am - 5 pm

Saturday: 9 am - 4 pm

Sunday: Closed

## We are now installing plunge pools by Soake® Pool!

## Our Retail Store is open with limited customer capacity.

According to the CDC, there is no evidence that COVID-19 can be spread to humans when using a swimming pool or hot tub. This only holds true when proper sanitation and maintenance are performed.

- We recommend getting your water tested once a month.

Order your swimming pool & hot tub chemicals online for pick up.

## Start planning for your 2021 backyard renovation!

### Start Planning for Hot Tub Season!

Hot tubs are in high demand and delivery is now booking into late 2021. Visit our website for our inventory list.

Swim year round with a swimming pool enclosure. Visit our website for more information.

Extend the life of your salt chlorine generator cell and elements/D.E. Grids by starting the season with them clean.

Find our hot tub maintenance instructions on our website

Tarp Winter Cover Reminder: Keep your winter cover free of water, leaves and snow. Pump water off the cover and back into your pool.

## Refer A Friend Program

Both of you will receive a \$50 gift card to the retail store.
