

# SNYDER POOLS NEWS

Summer heat is in full swing, and we hope everyone is staying cool in their Snyder Pool! Our retail store still has plenty of chlorine in stock, but certain sizes are available in limited quantities. We highly suggest that you keep your swimming pool perfectly balanced with pH, Alkalinity, and Stabilizer to ensure that no excess use of chlorine is needed. Another option to consider is our Sustain once a week program for truly crystal-clear water all summer long. Or, better yet, a salt chlorinating generator from Autopilot! We have models for both inground and above ground pools in stock and ready to install.

Availability of many of our most common products is uncertain this summer. However, we have planned accordingly and been able to maintain our stock of the necessary pool parts and equipment that our customers will likely require.

Starting on July 1<sup>st</sup>, when you phone to schedule a service call, we will be taking a credit card payment for the service call fee. We will still be billing out for any additional parts and labor that are required while at the service call.

When shopping at our retail store, masks will no longer be required for any fully vaccinated customers while inside. If you feel more comfortable not entering our retail store for your swimming pool or hot tub products, we will be more than happy to assist you at the front door.

Thank you for your patience and understanding over the past year. Your cooperation was very much appreciated. We are looking forward to a beautiful summer!

## Retail Store Hours:

Monday - Friday: 9 am - 6 pm  
Saturday: 9 am - 4 pm  
Sunday: 9 am - 1 pm

WE ARE  
LIMITING OUR  
CHLORINE  
SALES TO  
**1**  
ITEM PER  
CUSTOMER.  
CONTACT THE RETAIL STORE FOR MORE INFORMATION.

**Our Retail Store is open!**  
**Masks are not required but are welcome.**

According to the CDC, there is no evidence that COVID-19 can be spread to humans when using a swimming pool or hot tub. This only holds true when proper sanitation and maintenance are performed.

- We recommend testing your water tested once a week.

## Try our new body care line TRISWIM!

It is made for people who love to swim, but dislikes the negative effects chlorine and salt water has on your body and hair.

## Start planning for your 2022 backyard renovation!

Visit our website to view the Latham Vinyl Liner Brochures.

## Turn your day around with a new Nordic Hot Tub!

We are now booking into early 2022 for hot tub deliveries.

Swim year round with a swimming pool enclosure. Visit our website for more information.

Extend the life of your salt chlorine generator cell by adding ½ lb. of Pepper per 10,000 gallons every 2 weeks.

## Sustain Customer Weekly Maintenance:

- 1 cup Energizers per 5,000 gallons
- 1 Big Tab per 10,000 gallons.

## Refer A Friend Program

Both of you will receive a \$50 gift card to the retail store.
